FACTS

- **Independence and entrepreneurship are the heart of small, locally owned businesses**
- **Stonington and Deer Isle are communities that value independence and entrepreneurship.**

Harbor Farm's Tiles

The building you see on the back of the School House is our tile department. We have tiles from 17 countries and as many U.S. states, and, of course, lots from Maine. You can buy one tile or tile your house. Our specialty is helping people to have tiling they like and can afford.
