Notable achievements: King's College Deprizio Award and Monarch Grant for outstanding contribution to the community, personal qualities and academic achievement. Quote: At the beginning of my six month firefighter 1 course, I thought that everyone was "just" another firefighter. I thought wrong. I trained, and studied beside my four fellow students, and now, I don't know how I would have gotten through the course without them. It's very rare to find a special group of students and instructors like the ones I worked with. I trust all of them with my life, and I hope that they think the same of me.
